**Publicity:** The Secretary reported that CC Rally forms and CC Brochures had been distributed at the Ormiston Swap.

## **General Business:**

1. CC Rally - the President and Secretary travelled to Kingaroy for a night meeting of the South Burnett Club to offer advice and assistance. There was some concern over numbers but with Nanango and billets accommodation should be adequate. Catering numbers will be monitored. The club provided entry forms promptly and these were distributed by the Secretary to all affiliated clubs. The President advised delegates to get in early. J. Scott (LAMA) moved and B. Shelley (QCCC) seconded that CC pay 15 cents per kilometre for travel of the President and Secretary to the meeting (Carried). The President reminded delegates that trophies won last year needed to be returned. The Secretary will remind the host club that a written report to CC was required after the event. The CC Rally for 2006 will be hosted by the Gympie club but volunteers were needed for the following years.
2. T. Wojtasik (QVVA) reported that the proposed run to Cairns organised by N. Schumann had been cancelled. Any monies already paid would be refunded.
3. R. Kinne (ROAQ) asked delegates whether reports that immobiliser would be compulsorily fitted to old cars were correct. It was agreed that this report was incorrect as far as CC knew.
4. C. Nott (BVRC) reported on a stealing method where a sheet of paper was placed over the rear window of parked cars meaning drivers got out to remove while the thief stole from the car. Be warned.
5. A. Budworth (ABCCC) reported on the Pied Piper RACQ Run from Cairns to Brisbane. Cars can join anywhere along the way. The RACQ will pay postage for the distribution of entry forms with CC Minutes. Questions were raised about the requirement that vehicles travel at 80kph and this was explained as a Police requirement.
6. J. Scott (LAMA) urged clubs to nominate a young person or group for the Robert Shannon Trust Award.
7. Affiliation of the Classic & Muscle Car Club of Ipswich was approved by delegates.

The Meeting closed at 8.20pm
