NEWSLETTER No 5 **11th September 2020**

NEWSLETTER No 4

In the last newsletter I mistakenly inserted text attributed to TMR Impromptu events, which is incorrect. I had published this text as an important message to member clubs to be vigilant with this privilege as we could so easily lose it if misused.

More detail will follow in a later newsletter when we have more information.

NEW STANDARD NUMBER PLATES

After 30 years, DTMR has exhausted the current number plate numbering system and a new number plate numbering system is now being introduced. The new ones will continue to be maroon on a white background together with three numbers, two letters and one number. An example is shown below. This configuration will allow for 16 million unique numbers, enough for the next 25 years of Registrations. There is also a security code built into these number plates, this is not directly visible when viewed directly, but from the side. This is designed to identify fake plates. The new plate will in the new series will start with 000 AA0.

Rescheduled Chrysler Expo 2021

The Chrysler Owners' Club Qld is planning to present it's *Chrysler Expo 2021* on Sunday 21 March 2021 at Rocklea Show Grounds. We would like to invite **you/your Club** members to come along and participate. Expo will feature the show n shine of Mopars, the swap meet and the diverse range of vintage and historic themed exhibits (hopefully including: trucks, buses, taxis, fire engines, ambulances, speed cars, motor cycles, mopeds, Penny Farthing bikes and other historical cycles, stationary engines) *and more*. Exhibitors are welcome to come in period dress. *The 2019 Chrysler Expo*, the first with vintage and historic themes, was big and varied, and we anticipate Expo in 2021 will be brighter and with even more variety. Gates open 6am.

Within the Covid 19 Safety Plan applicable to the Show Grounds, a crowd of up to 5000 can be admitted.

There will be strict adherence to social distancing, hygiene, contact tracing and other rules.

Presentation of *Chrysler Expo* will be conditional upon Covid Safe rules and health authority directives that may apply in March 2021. If Expo 2021 is cancelled, notices will be posted on the *Chrysler Expo* Face Book page, the Chrysler Owners' Car Club web site and it's Face Book page. Sunday 5 September 2021 Rocklea Show Grounds has been reserved as a backup in case of 21 March cancellation.
