MCR ENTRY EXPRESSIONS OF INTEREST

Due to the continuing COVID-19 conditions, it is possible that restrictions for the operation of MCR venues (indoors and outdoors), person numbers and personal distancing may be applied for all or some of the venues/stages/aspects of the 2021 Montville Country Run. As the type and/or extent of restrictions (if any), which could be applied are currently uncertain, the BRHCC is calling initially for expressions of interest for entry to MCR. There remains a potential that run numbers could have to be restricted for the COVID-19 conditions in place on 8th, 9th, and 10th of October 2021. We hope that the event can be fully unrestricted.

Please obtain your MCR ENTRY EXPRESSION OF INTEREST (EOI) Form from the BRHCC Website www.brhcclub.com. Complete the EOI and submit as soon as possible to the Club.
